

Local Authority Area Plan Elements

Based on Statute 62A-15-103, the Division requires each Local Authority to submit a plan to the Division by May 1, 2006. Due to requirements within State Statute, Administrative Rules, and the current contract, there are certain elements that must be included in the plan. Other than the plan elements identified below, the “Area Plan” may consist of whatever the Local Authority considers their plan to be, for the up coming year.

Governance and Oversight/Financial Elements

1. A budget that describes the intended use of state and federal contracted dollars for State fiscal year 2007. The budget must identify the funding source and the services that funding will cover. At a minimum, the services must include all service areas identified in the Area Plan Elements. If there is a set amount of funding that must be spent in a specific category, this must be represented in the budget. (Administrative Rules R523-1-12)
